About Us

Welcome to Universal India Studio!

Close your eyes, envision the extraordinary, and witness the magic as we transform your dreams into stunning sculptures and artworks.

With a passion for bringing imagination to reality, we specialize in crafting bespoke art pieces tailored to your vision, ensuring that your surroundings tell a story that is exclusively yours.

Our team comprises qualified and dedicated world-class artists and architecture professionals specializing in artworks, interior, and exterior design, catering to a wide range of clients. Our expertise in artwork encompasses statues, paintings, relief works, murals, and more, utilizing a diverse range of mediums including all metals, stones, wood, and resin. Furthermore, we export metal handicrafts to 28 countries worldwide.

Our Commitment to Excellence:

At Universal India Studio, our commitment to excellence goes beyond the creation of stunning artwork. We are dedicated to ensuring an exceptional experience for our clients at every step of the journey. From the initial consultation to the final installation, our team of skilled artisans and designers collaborate seamlessly with you, turning your idea into a masterpiece. We are the artists, and we feel the soul of art.

Our Social Responsibility and Code of Business Ethics:

At Universal India Studio, we are deeply committed to safeguarding the environment. Our production units produce 100% non-toxic, eco-friendly materials, reflecting our commitment to sustainable practices.

In conducting our business operations, we uphold the highest standards of honesty and ethics. We continuously enhance the quality of our services, establishing a reputation for integrity, fairness, and trust. We categorically reject illegal or unethical conduct by any member of our team, or affiliates. We firmly believe that good ethics is synonymous with good business.

Our Services

At Universal India Studio, we offer a comprehensive range of services tailored to meet the diverse needs of our esteemed clients nationwide and globally.

Our services encompass the entire spectrum of artistic creation and design, spanning from intricate sculptures and captivating paintings to innovative interior and exterior designs. Whether it's enhancing indoor spaces with statues and murals or beautifying outdoor areas with landscaping and installations, we're dedicated to excellence and creativity in every project.

With a capacity to cast 5,000 kg per day and a sprawling 1,00,000 sq. ft. of foundry area, we have over 100+ skilled artists working at any point of time.

"Combination of right talent with a commitment to constant upgradation in engineering techniques is the success mantra of Universal India."

Our Reputed Clients

Elephant Sculpture

Delhi IGI Airport T3

Standing proudly at the International Departure area of Terminal 3 in IGI Airport, New Delhi, our Elephant Sculpture captures the essence of maternal love and compassion. Depicting a majestic mother elephant alongside her playful calf, it symbolizes the enduring bond between parent and child, inviting travelers to reflect on the beauty of nature.

India's Largest Nataraj Statue – Ongoing

Agartala, Tripura

We are undertaking the creation of India's largest Nataraj statue in bronze metal, with height of 32 feet. The statue will be executed using traditional large-scale bronze casting techniques, ensuring high structural strength, fine artistic detailing, and long-term durability. The project will involve detailed structural design, full-size modelling, mould making, and segmented bronze casting, followed by precision assembly and installation at site. This iconic sculpture will represent Lord Nataraj in his cosmic dance form and will stand as a symbol of Indian art, culture, and craftsmanship at a monumental scale.

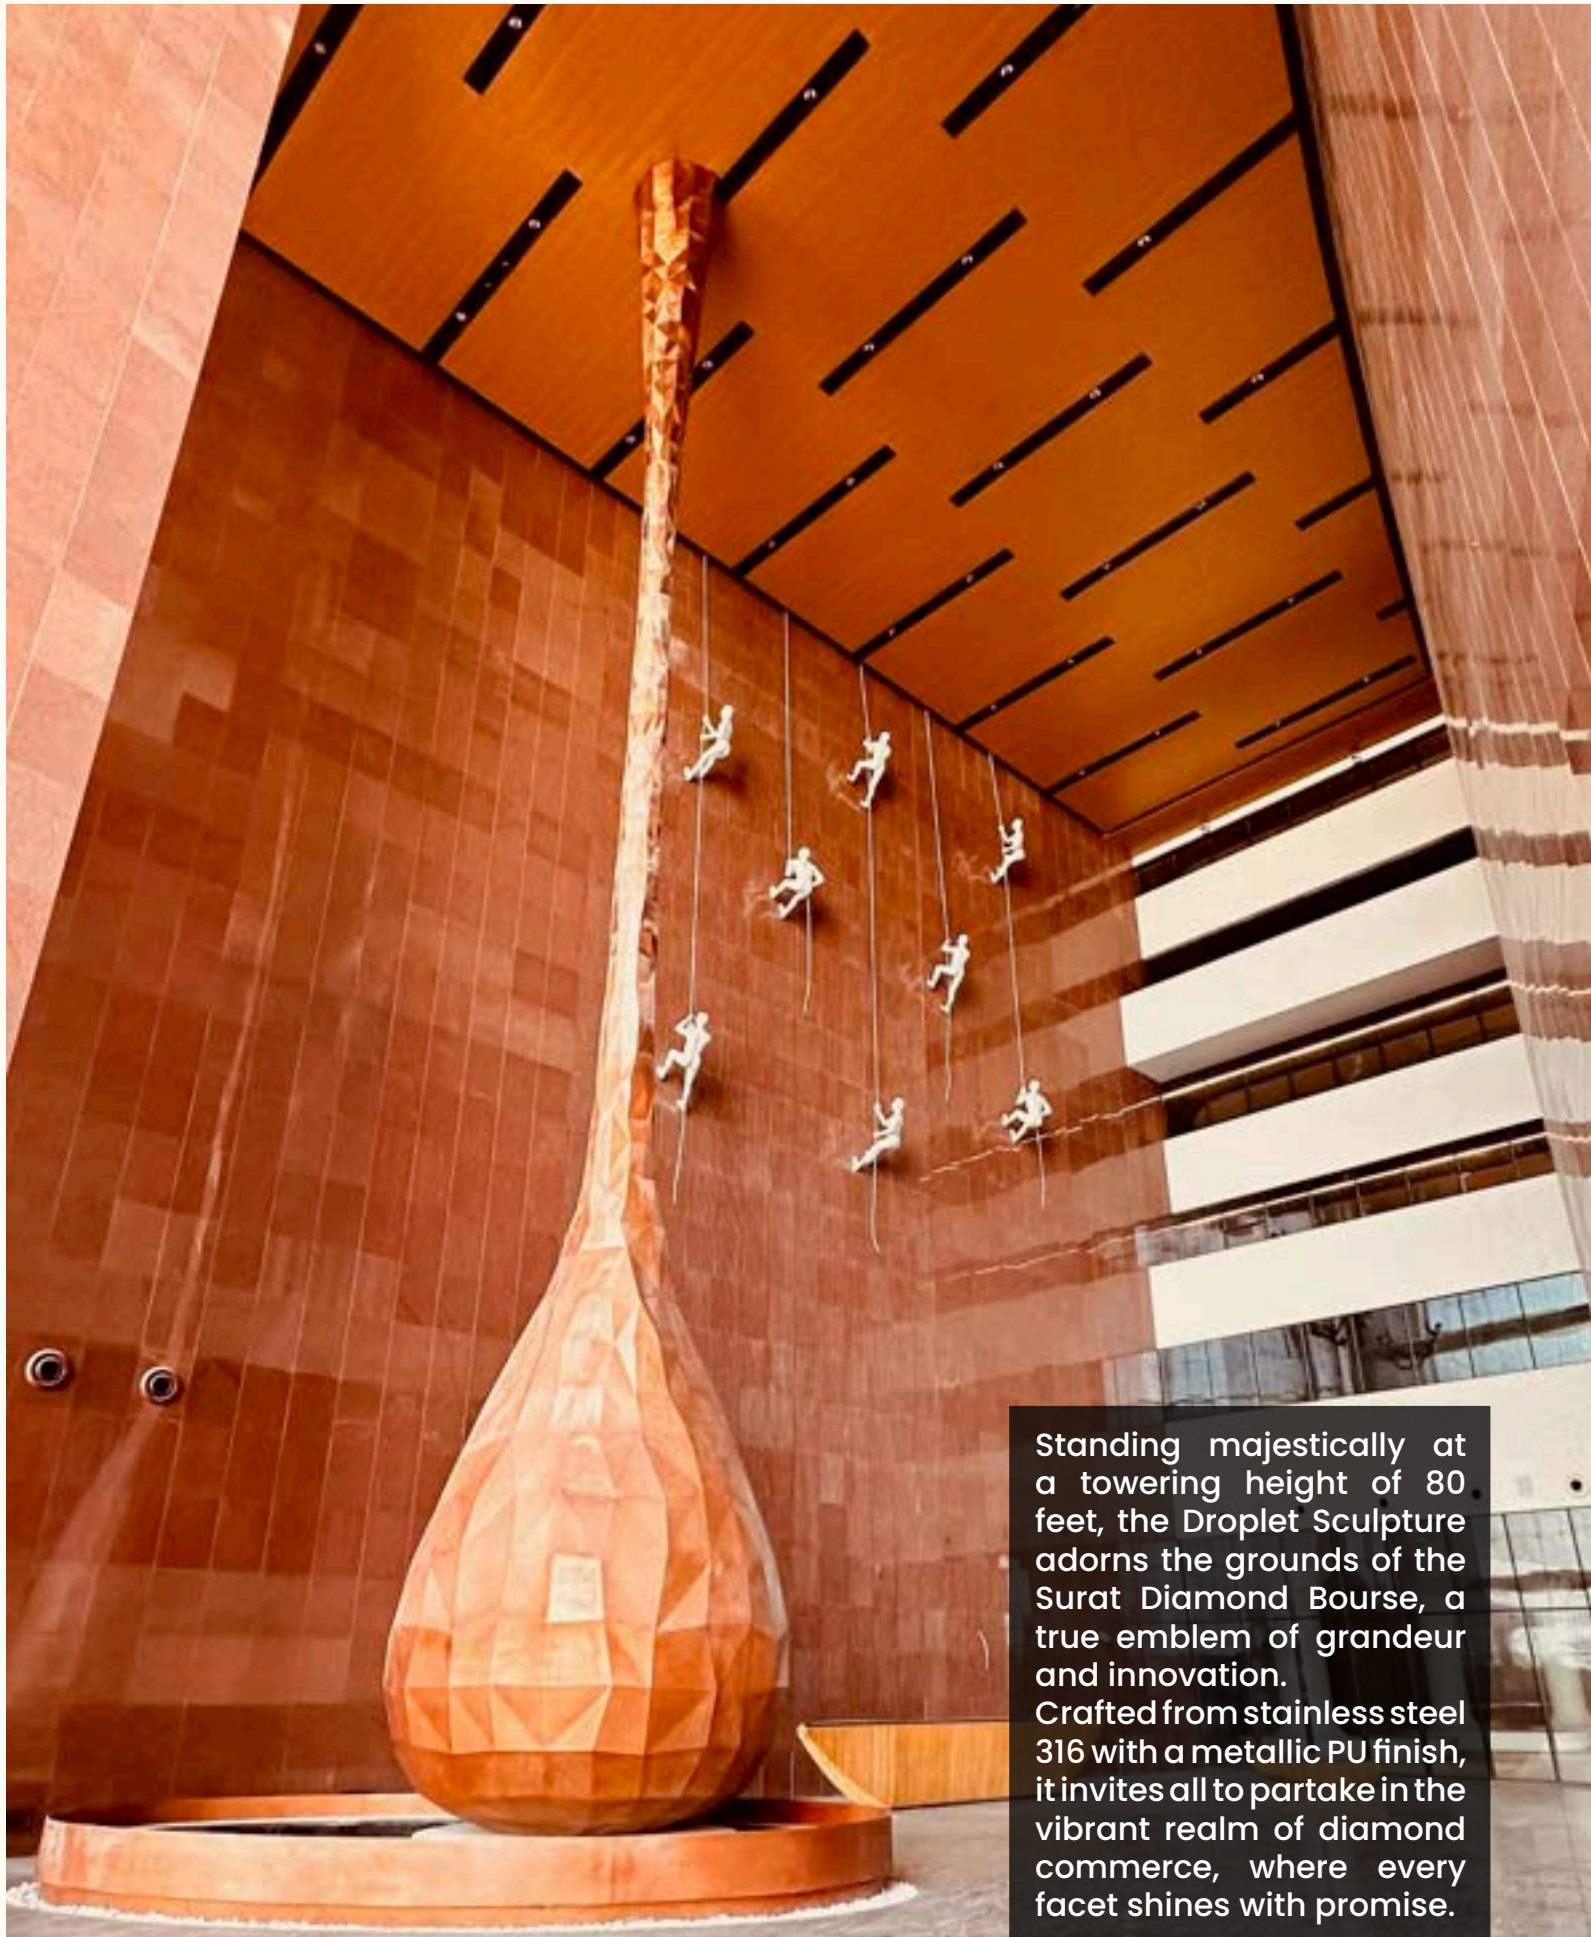

Clay Model at Universal India Studios: 32 feet height

70% Work Completed

Original Nataraj Statue is set to be made from **International Standard Bronze (85% Copper + 15% Tin, Lead, and Zinc)**. The MS Structure will weigh approximately **30 tonnes**; the Bronze skin will weigh approximately **13 tonnes**.

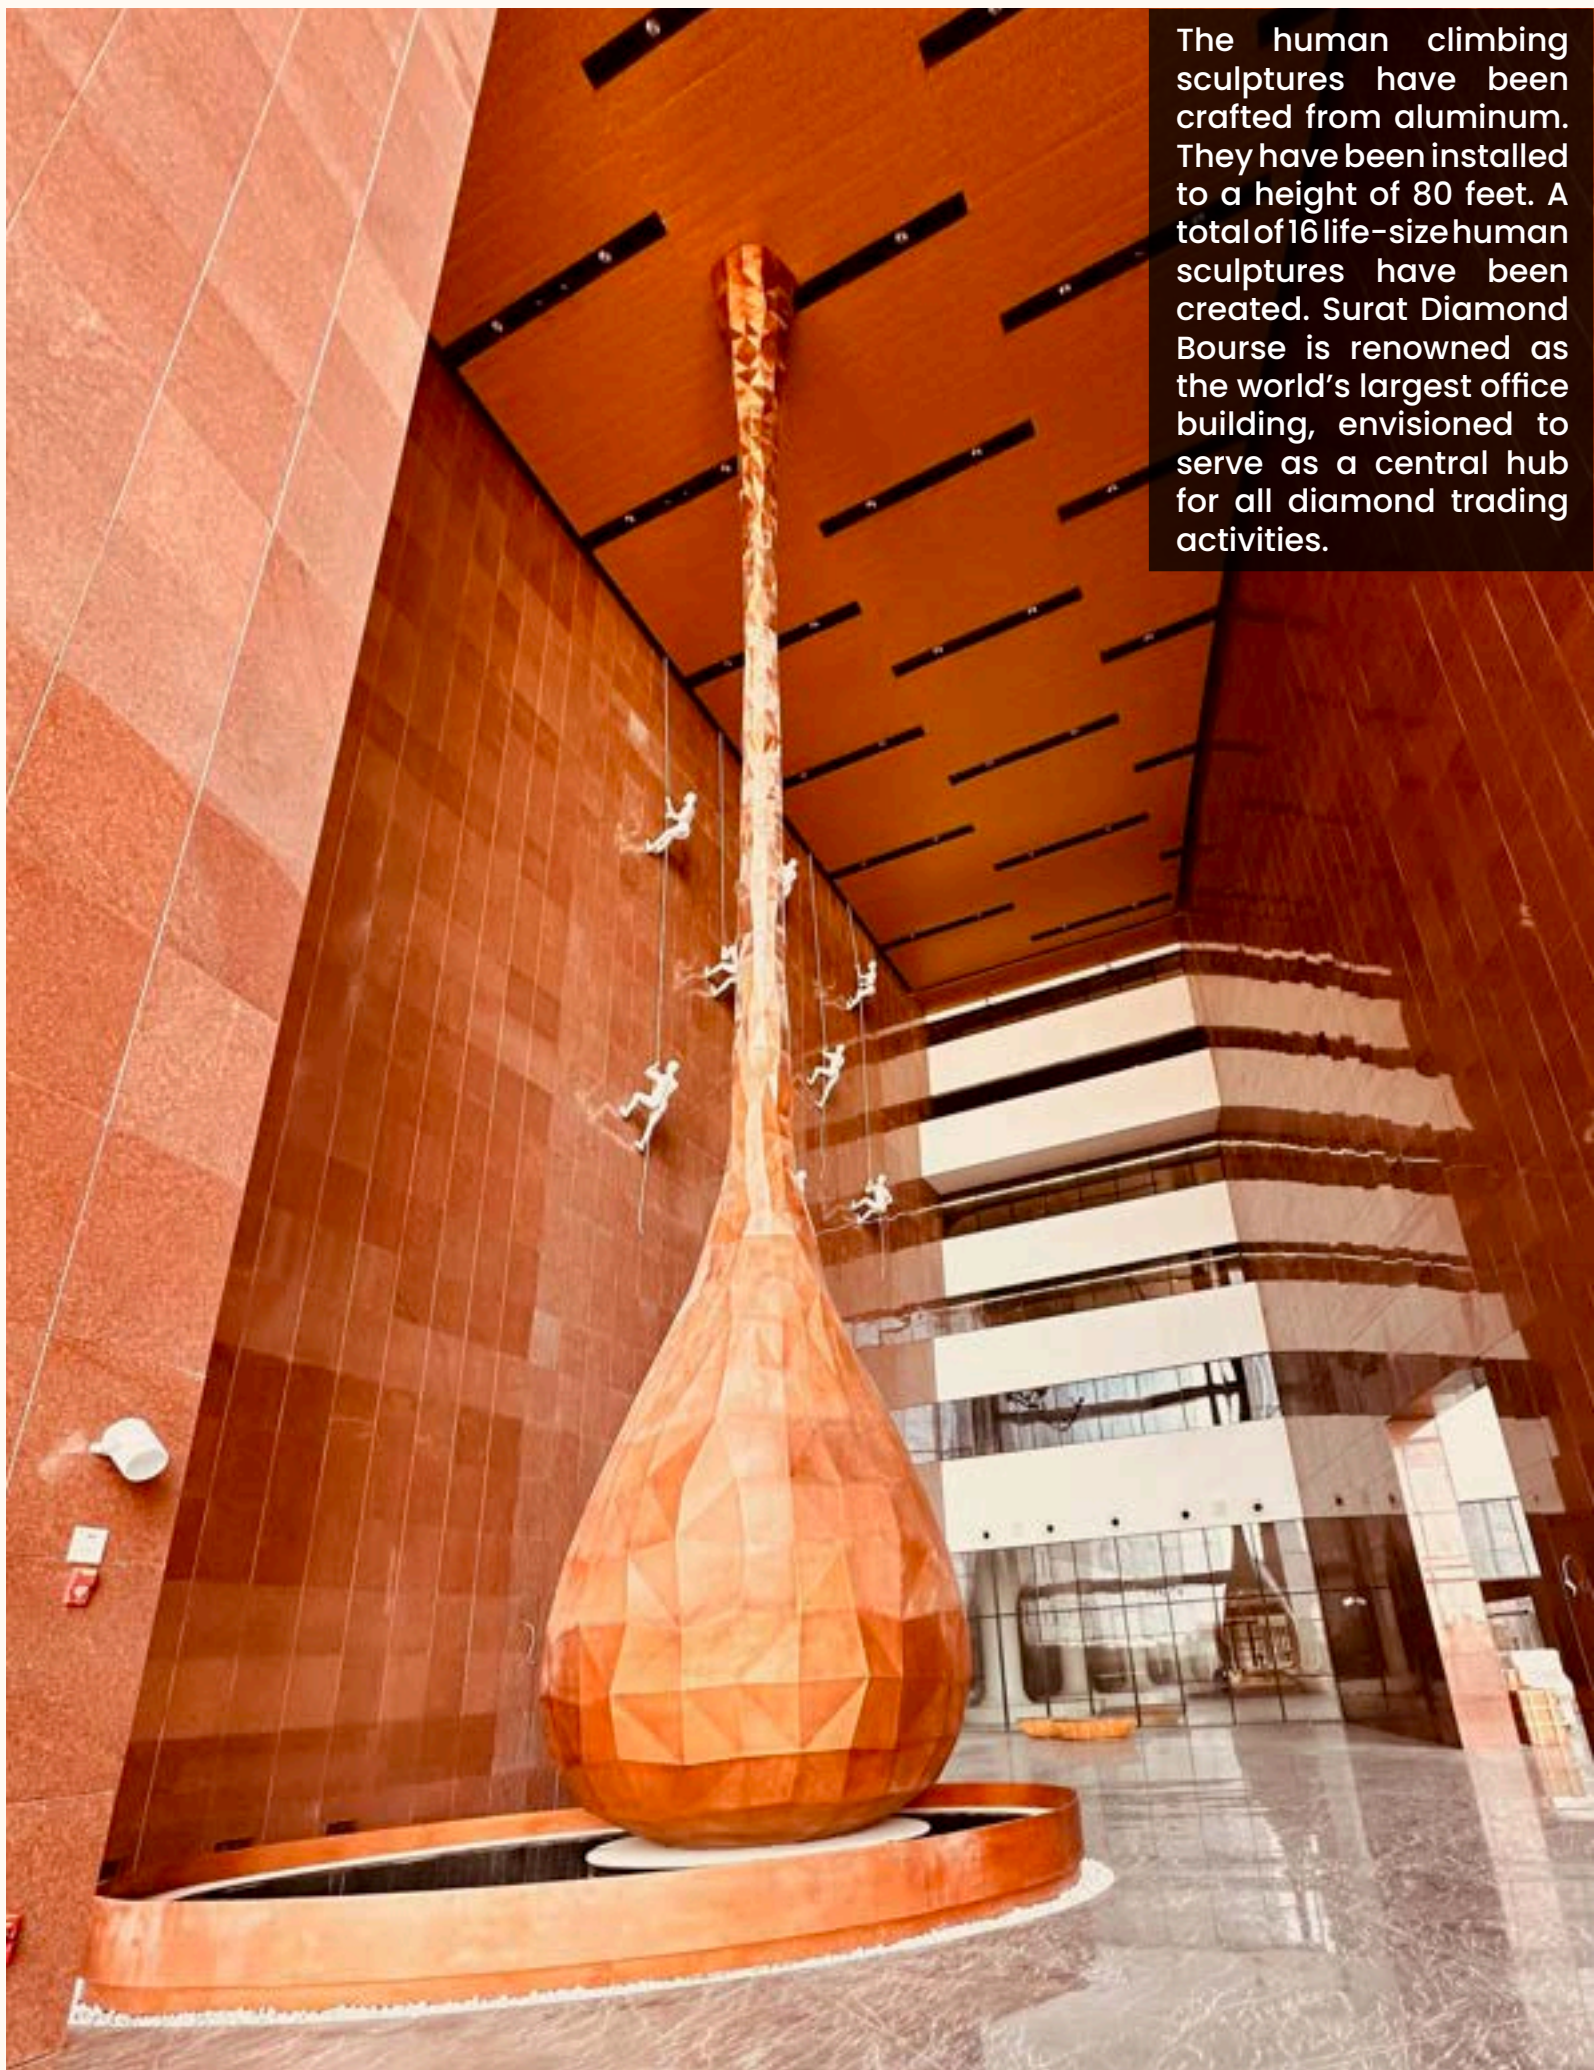

Surat Diamond Bourse

Surat, Gujarat

Standing majestically at a towering height of 80 feet, the Droplet Sculpture adorns the grounds of the Surat Diamond Bourse, a true emblem of grandeur and innovation. Crafted from stainless steel 316 with a metallic PU finish, it invites all to partake in the vibrant realm of diamond commerce, where every facet shines with promise.

The human climbing sculptures have been crafted from aluminum. They have been installed to a height of 80 feet. A total of 16 life-size human sculptures have been created. Surat Diamond Bourse is renowned as the world's largest office building, envisioned to serve as a central hub for all diamond trading activities.

Alluri Sitarama Raju Sculpture – Ongoing

Visakhapatnam International Airport, Andhra Pradesh

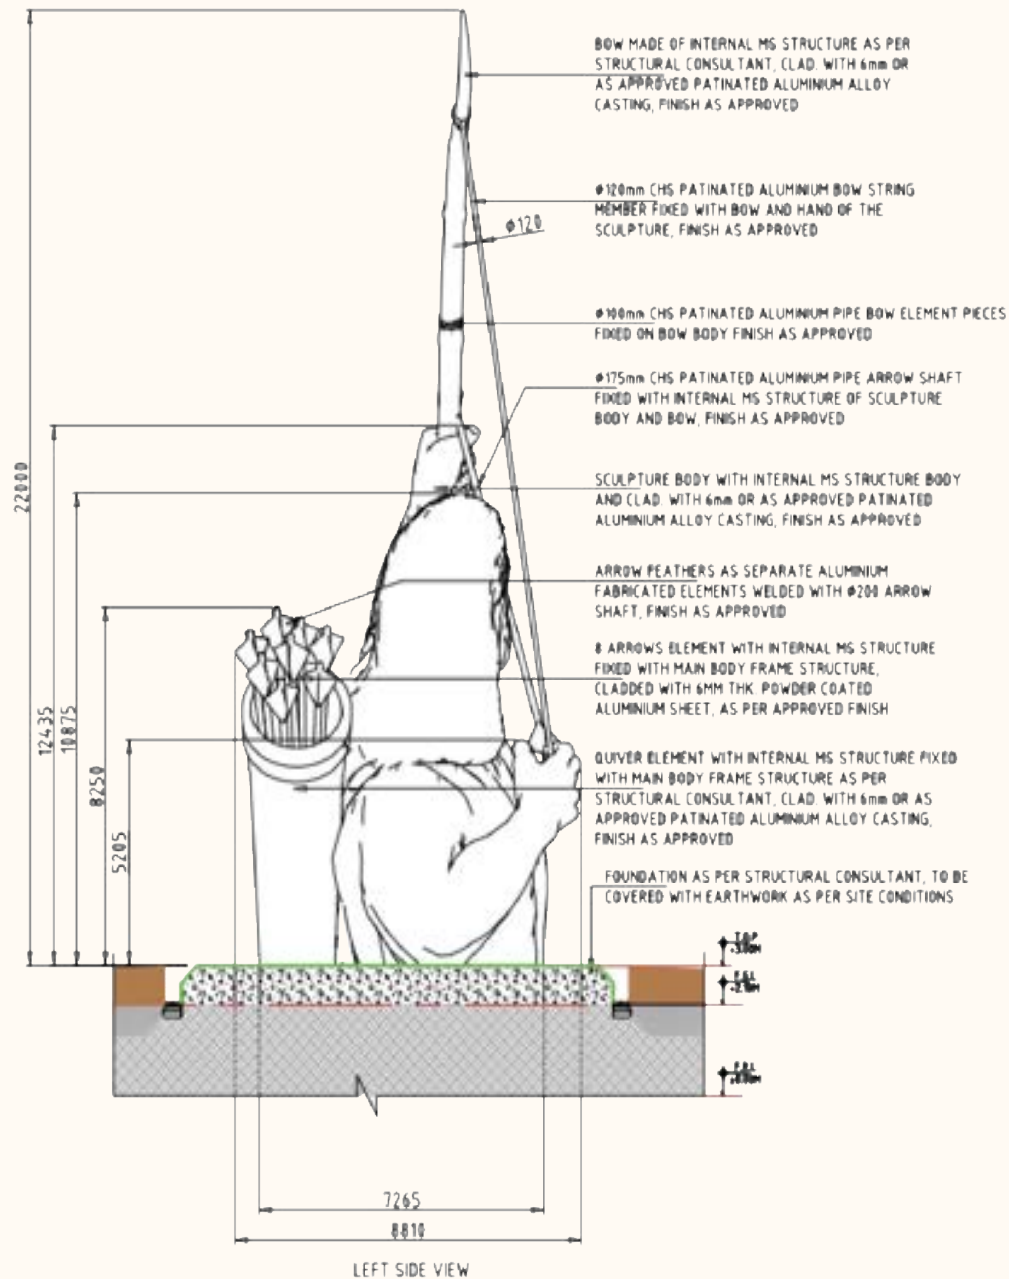

Celebrating the legacy of the legendary Indian revolutionary Alluri Sitarama Raju, this dynamic sculpture captures the fearless spirit of a freedom fighter who rose from the very soil he vowed to protect. Emerging from the earth, bow in hand and eyes fixed on justice, he draws his arrow, a timeless symbol of resistance, aiming it toward oppression. It is a powerful gesture, not just of defiance, but of hope and the relentless drive to cleanse the land of tyranny. Through this monument, we honour a warrior who became one with the land he fought for.

3D Visualization | on Site: 73 feet height

Original Alluri Sitaram Raju Sculpture is set to be made from **Patinated Aluminium** with internal **MS Structure**.

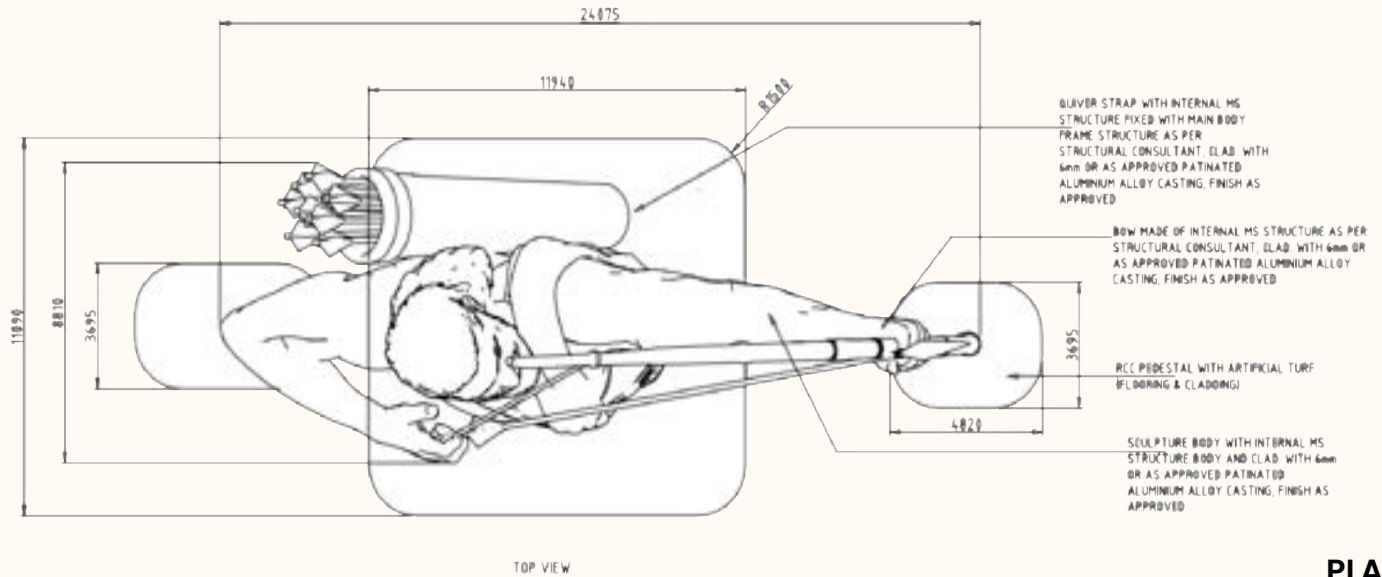

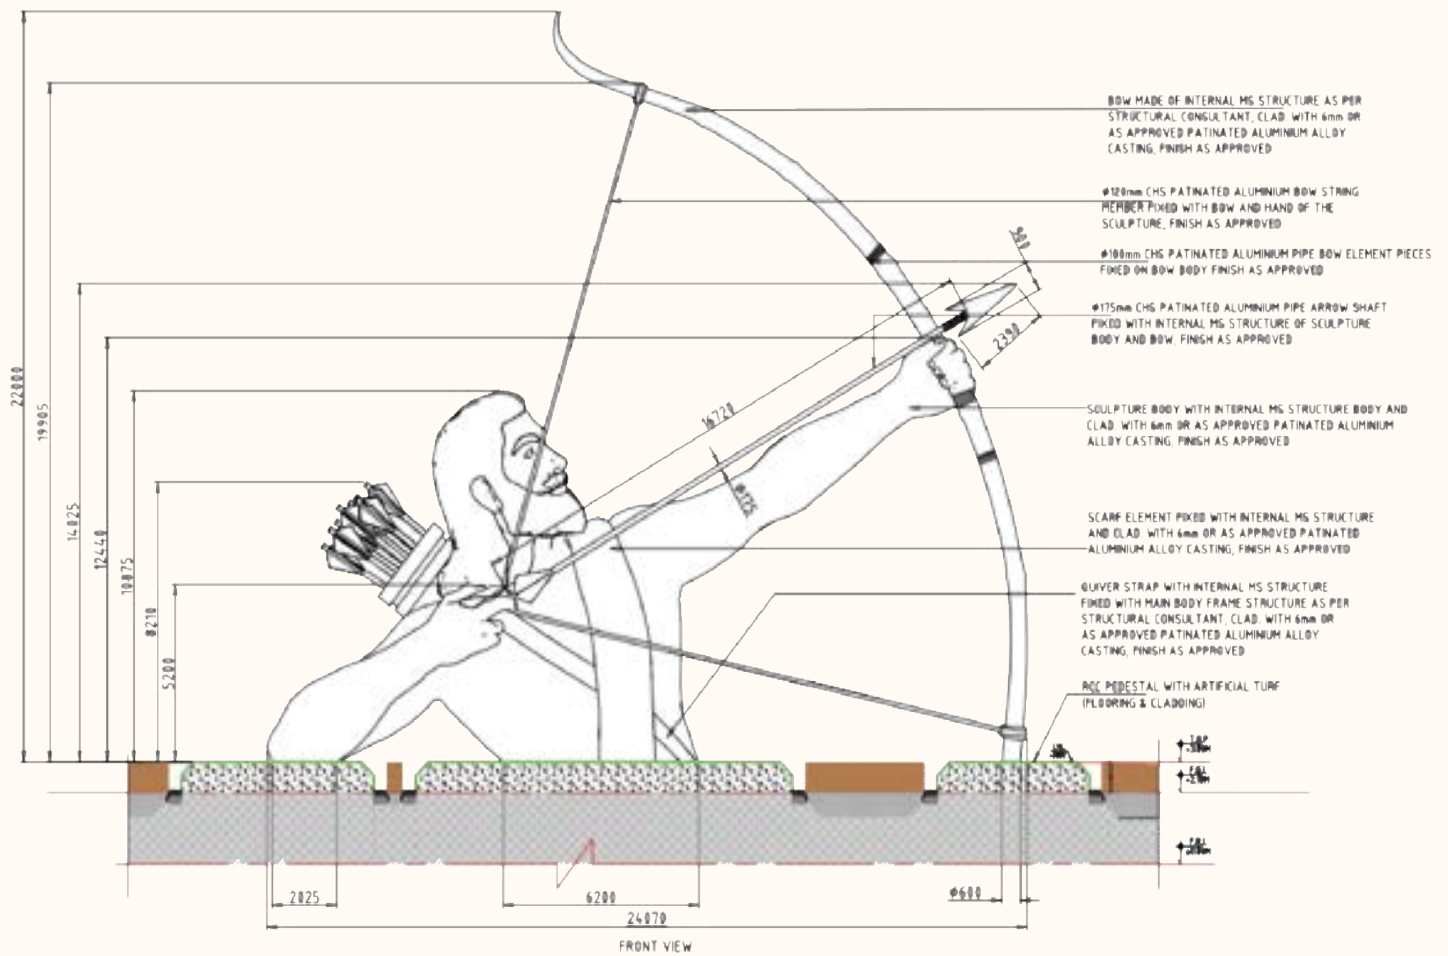

SIDE ELEVATION

Shop Drawings for the Sculpture of Alluri Sitarama Raju

Mysore Regal Procession

Delhi IGI Airport T3

Mysore Regal Procession grand Wall Art, spanning an impressive 16x20 feet, is a captivating masterpiece displayed at domestic departure, IGI Airport, New Delhi. This majestic artwork depicts the splendor of a king and his troop in a regal procession, offering travelers a glimpse into the rich heritage and cultural magnificence of India. As passengers pass by, they are immersed in the timeless allure of royal tradition, adding a touch of majesty to their airport experience.

Baag, Baoli, aur Badal – Ongoing

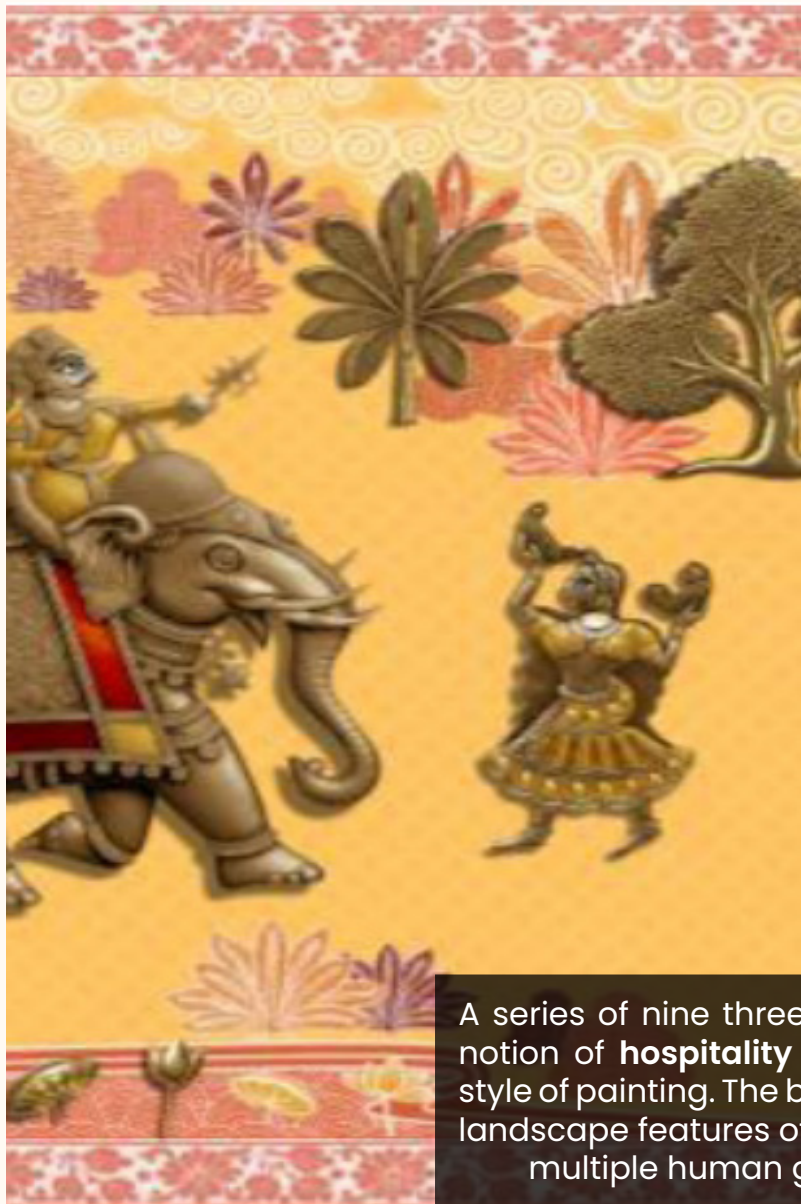

Jaipur International Airport, Rajasthan

A multi-part and multi-layered bas-relief installation composed of wall mounted components such as human-shaped figurines

The background is proposed as a **customized wallpaper on HDHMR sheets with dye making work, customized texture painting, and custom line work art** directly referencing traditional Rajasthani arts and crafts. **Stone powder, resin, FRP, and clay** come together as the main materials for this piece.

A series of nine three-dimensional bas-relief artworks celebrate the notion of **hospitality** from Rajasthan's culture, depicted in Phad art style of painting. The backdrop uses Bandhani prints and **hand painted** landscape features of the Phad art style, while the foreground depicts multiple human gestures performing rituals related to hospitality.

Rang, Raag, aur Rachna - Ongoing

Jaipur International Airport, Rajasthan

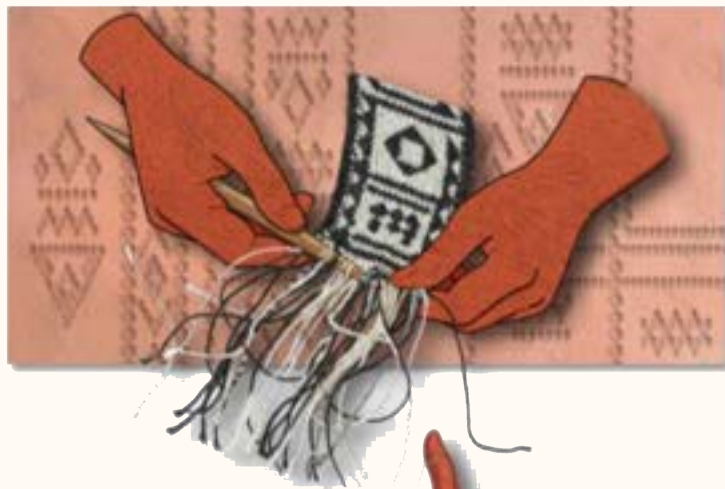

3D VISUALISATION

3D VISUALISATION

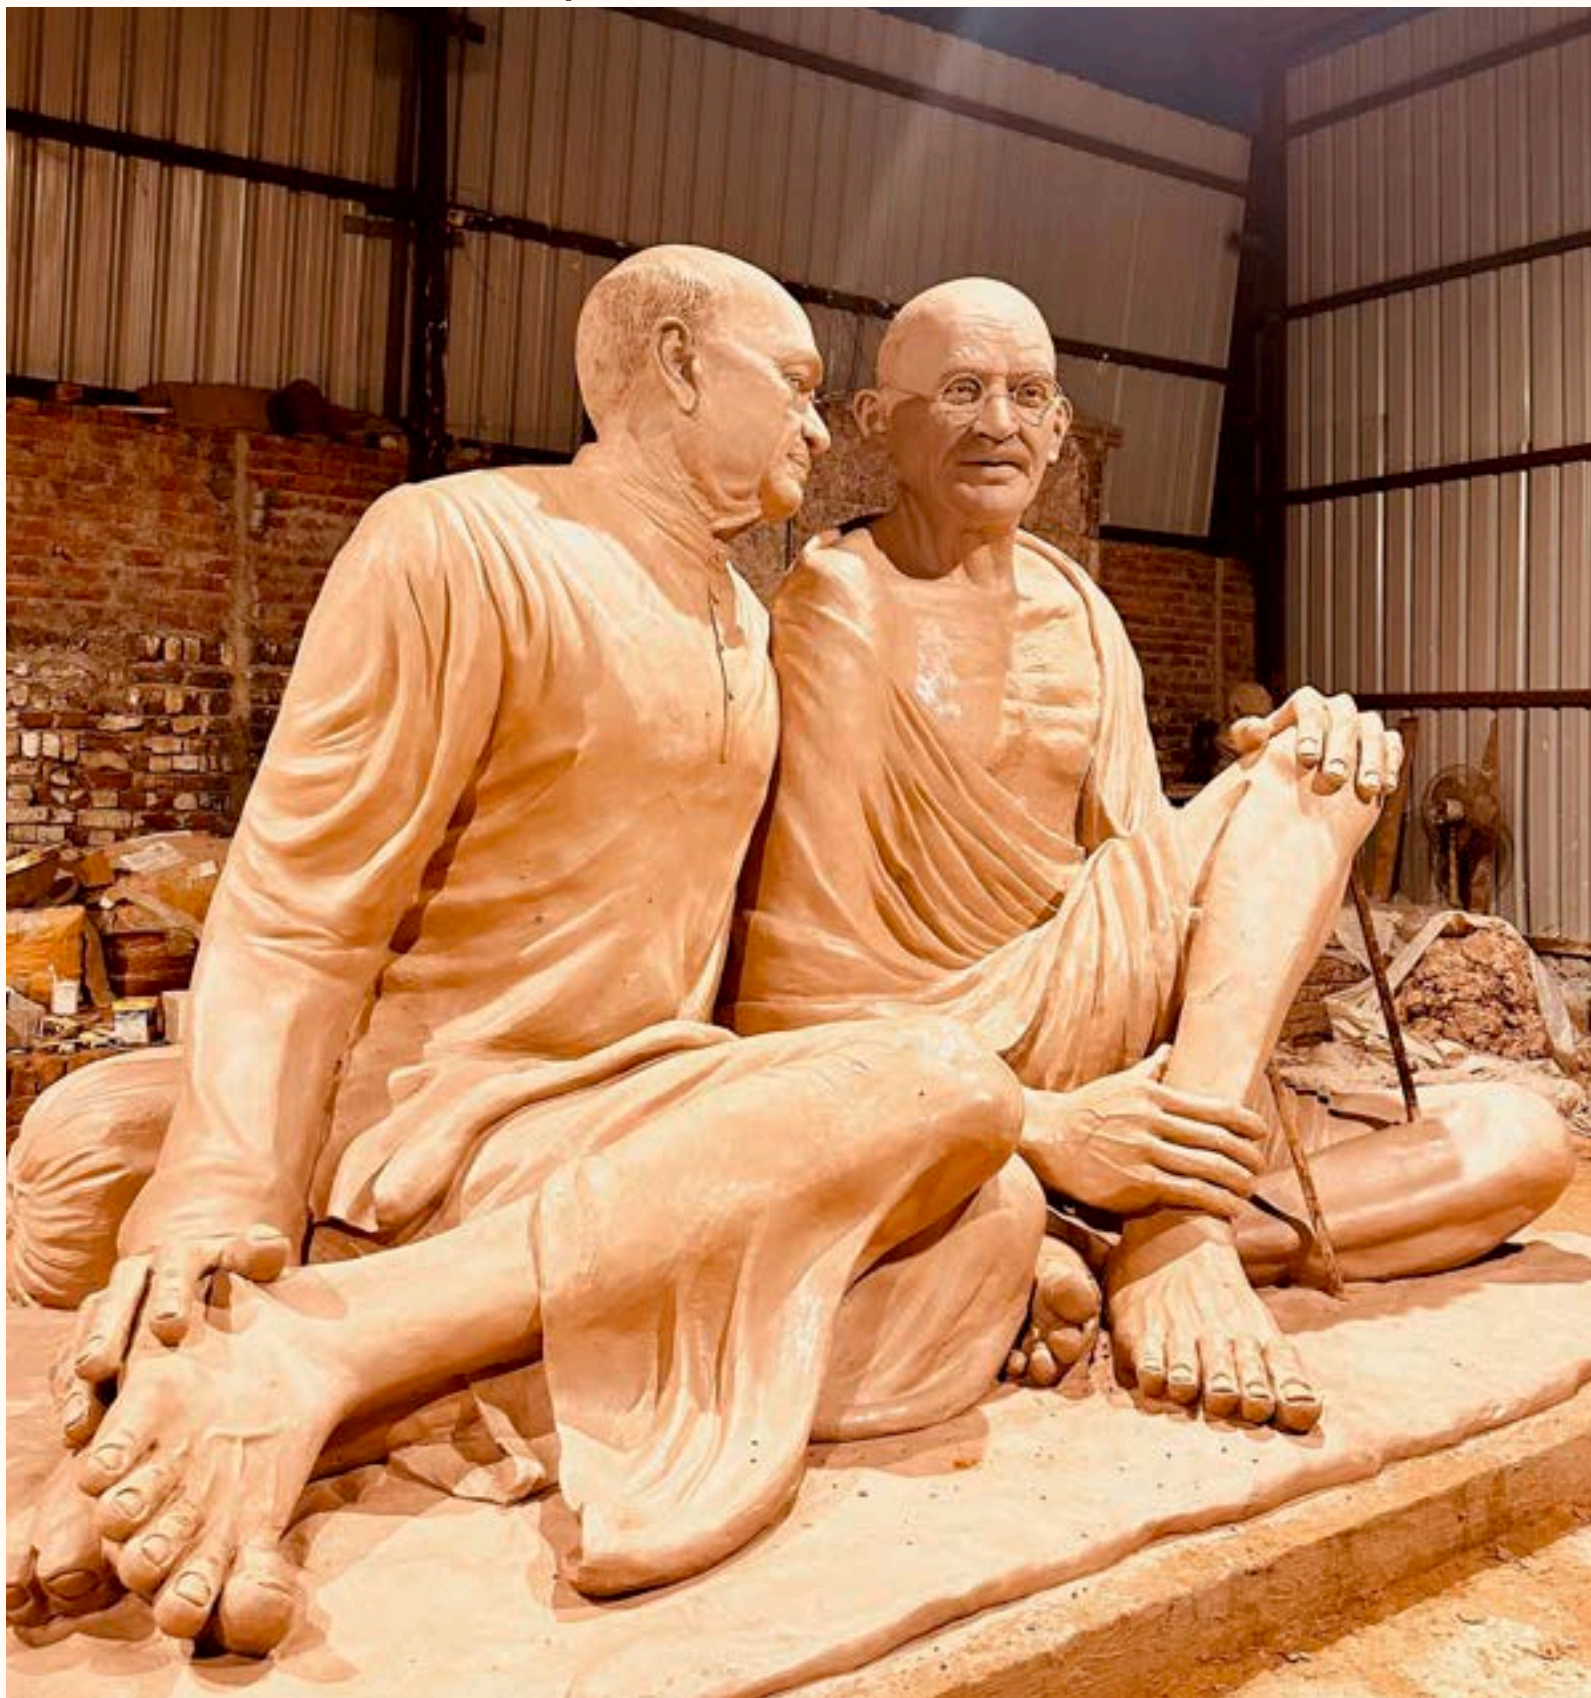

A series of nine multi-layered artworks celebrating various crafts of Rajasthan, depicted through the hands of craftspeople. The backdrop comprises of patterns used in each of the respective crafts while the foreground presents 3D figurines of the hands of craftspeople in gestures that show the process of making the craft.

With the wall mounted components created in **FRP**, and the **HDHMR** base showcasing CNC cut *Bandhani* patterns, a three-dimensional effect is created.

Gandhi Patel Statue

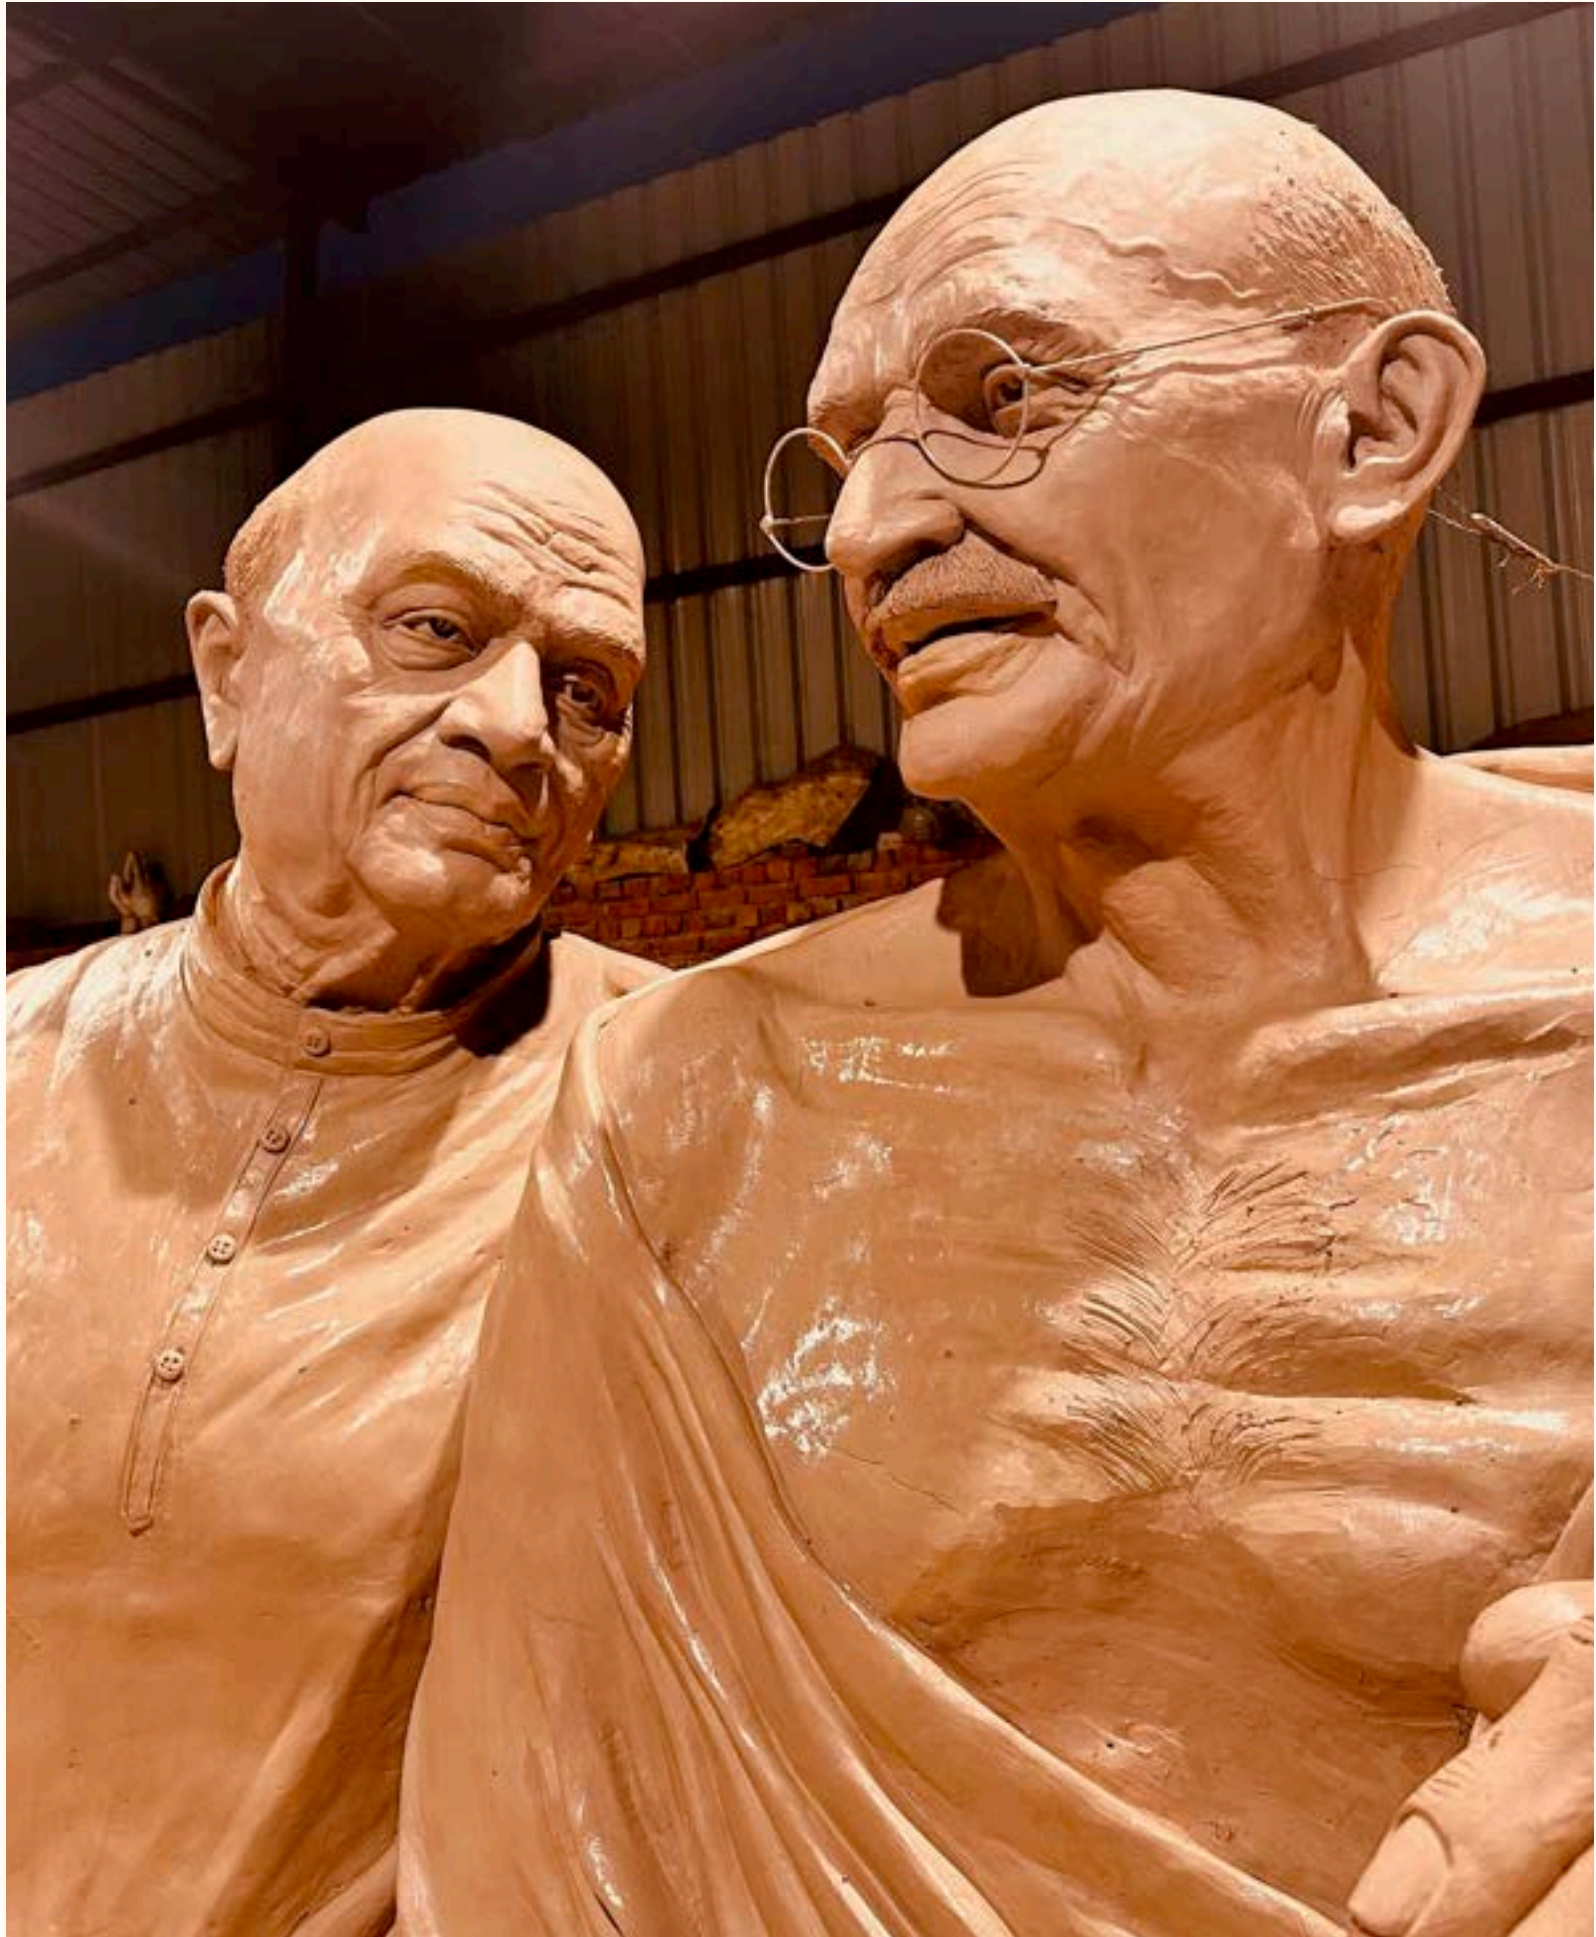

Ahmedabad international Airport

The 15 feet tall sculpture portrays a scene of a conversation between Mahatma Gandhi, the Father of our Nation and Sardar Vallabhbhai Patel, the Iron Man of India, who were born in Gujarat. Both of them are well known for their remarkable contribution in the Freedom Struggle Movements of India.
